

STATE OF KANSAS

PROCLAMATION

GOVERNOR

TO THE PEOPLE OF KANSAS, GREETINGS:

WHEREAS, financial aid programs provide valuable funds to assist students with the cost of post-secondary education, without which many students would be unable to continue their education; and

WHEREAS, Kansas citizens have long believed that higher education is the key to the development of individual skills and knowledge which are ultimately invaluable to both the individual and the state. Students and citizens who have benefitted from financial aid over the years are now contributing back to the state with their talents, service, and increased tax revenue; and

WHEREAS, the annual observance of Financial Aid Awareness Month raises public awareness of the various types of aid available to help students and families afford higher education; and

WHEREAS, the Kansas Association of Student Financial Aid Administrators stands ready to assist every student in need of help and information.
